April 3, 2023

Dear Neighbor,

The MCVFA Golf Committee invites you to become an important part in our Annual Golf Tournament as a sponsor to benefit the Massachusetts Call/Volunteer Firefighters' Association.

To be a call/volunteer firefighter or EMT, it takes a fearless, selfless individual willing to face life-threatening emergencies and put their own life on the line to help another human being. The MCVFA is committed to provide Massachusetts call/volunteer firefighters and emergency medical technicians with everything they need to aid them and promote awareness about the vital role they play in the safety of our communities. The MCVFA represents approximately 45% of the firefighting and EMS services in the Commonwealth of Massachusetts. Nationwide, call and volunteer firefighters save taxpayers nearly \$37 billion per year!

With your help, we can continue to offer our call and volunteer firefighters and EMTs assistance with Educational Scholarships, Training and Educational programs, Health & Wellness programs as well as programs for the general welfare of our members.

We have enclosed the 2023 Golf Flyer and sponsorship form for your review and consideration. We hope you will consider making a donation to our tournament efforts.

This is a great opportunity for your company to support a worthy cause and at the same time receive valuable exposure.

If you would like more information about the organization itself, you can visit www.mcvfa.org.

On behalf of the members of the MCVFA, I would like to thank you in advance for any support that you are able to offer.

Sincerely,

Kevin Connolly
MCVFA Past President
2023 Golf Committee
